

# Disco Party Ball

This is a very simple and easy way for any child to make a disco party ball

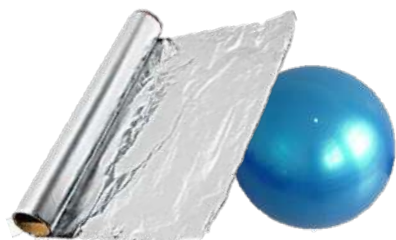

You will need:

- Ball or balloon
- Foil
- Tape
- Piece of string

How to do it?

- 1 Cover all around the ball or balloon with the foil. You'll have a big "silver" ball.

- 2 Go around the ball with the piece of string and tie it.

- 3 Ask and adult to help you and decide where you can hang it and play your

DISCO  
PARTY!

Tip:

Add to your Disco Party the DJ Mixer, a microphone and coloured flashlights. You can download the templates and crafting guides from our website: (for free!)
