

Name _____

Write the missing numbers

A 10x10 grid of cartoon worms. Each worm has a number on its body. The numbers are arranged in an arithmetic sequence with a common difference of 11. The numbers are: 1, 4, 8, 13, 16, 22, 25, 27, 29, 31, 34, 36, 40, 43, 47, 49, 51, 54, 58, 62, 65, 69, 73, 76, 80, 81, 87, 91, 94, 99.

1			4				8		
		13			16				20
	22			25		27		29	
31			34		36				40
		43				47		49	
51			54				58		
	62			65				69	
		73			76				80
	81					87			
91			94					99	

Wow! Great job!
